COUNTERTOP COMPATIBLE WASHBASINS

HYGIENE FOR EVERY SPACE

creavit

PERFECT HYGIENE EXPERIENCE

Designed to meet user needs and expectations, the Washbasin’s deep structure prevents splashes, offering hygiene for every space. With its innovative form, this Washbasin becomes a staple in modern environments, providing a distinct and healthy experience with an aesthetic presence in hygiene-focused spaces.

THE ESSENTIAL CHOICE FOR SHARED SPACES

Hygiene in shared spaces is closely linked to public health. At Creavit, we prioritize the highest standards of hygiene and cleanliness with our Washbasin models, designed for communal use in places like schools, hospitals, and shopping centers. With our modern and innovative designs, we create solutions that meet user needs and expectations, offering suitable hygiene solutions for all spaces.

IDEAL SIZE – AESTHETIC FORM

With its ideal 45 cm size and fluid form, it creates a natural ambiance for bathrooms.

WATER-GUIDING STRUCTURE

Bolla's specially angled design prevents water splashes, prioritizing user comfort with every use. By eliminating unwanted splashes in the bathroom, it ensures a perfect experience.

BOLLA
THROUGH THE DESIGNER'S EYES

In designing the **Bolla** Under Counter Washbasin, I aimed to create a composition of aesthetics and functionality. Inspired by nature, the Bolla Washbasin brings the unique structure of water droplets and natural river stones into the bathroom. With an ideal slope that prevents splashes, it offers a comfortable and hygiene-focused design that meets user expectations.

MINIMALIST DESIGN
FUNCTIONAL STRUCTURE

With its asymmetric form, **Costa** introduces an extraordinary design language to any space it occupies. Created with ideal design details, it offers efficient use for a truly functional experience.

HYGIENE KNOWS
NO BOUNDS

COSTA
THROUGH THE DESIGNER'S EYES

Designed with the goal of reflecting the subtle design details of life into the bathroom, **Costa** was inspired by the linear form of my eyeglasses' silhouette. This perspective, applied to the edges of the Washbasin, gives it an aesthetic and ergonomic structure.
